Hi Elizabeth - I have attached our Air Monitoring Plan. I will send over our air data collected to date this week. We initiated activities last week and have not gotten any hits. We are conducting daily continuous monitoring for dust and VOCs and collecting lead air samples once a week for lab analysis.

Please contact me if you have any questions.

Thanks,
Michelle

Michelle, Elizabeth Butler, copied above, has asked for air monitoring data from Sherwin Williams. Please help her if you can.

Thanks,
Steve
